May 2021 edition of our monthly newsletter

[Find out where you can pick up free testing kits](#)

We've compiled a list of Reading pharmacies where you can pick up lateral flow tests, to check quickly at home if you have Covid without any symptoms.

[Our focus groups give people a say over strategy](#)

Read our new reports to find out what local people have been choosing as their top priorities for the new Berkshire Health and Wellbeing Strategy.

[Local help for Long Covid](#)

Take a look at our new Q&A for advice on how to get help for ongoing Covid symptoms like fatigue and 'brain fog'.

[Talking about dying is](#)

more important than ever'

Dying Matters week will urge people to share end-of-life wishes with family, after the sudden deaths of the pandemic.

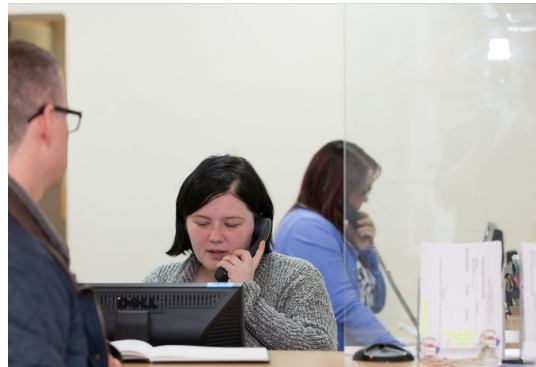

Should vaccines be compulsory for staff?

The government wants views by 21 May on plans to make Covid vaccination mandatory for care home staff.

Thank you for answering our GP phone survey!

More than 300 people shared their views in our latest survey which closed on 25 April. We're now analysing the results.
